

Autobooks works hard to make small business banking simple. Through our partnerships with banks and credit unions, small business owners have access to a modern suite that makes business banking easier.

When you join Autobooks, you're joining a team dedicated to small business growth. We want your ideas, passion and experience to continue improving what we offer.

Our downtown Detroit HQ is in the vibrant Madison building, named one of the World's Coolest Offices by Inc. Magazine. Autobooks also has a growing presence in Texas with a satellite office in Austin.

Ready to help change what it means to do small business? Let's talk.

The Role: Product Designer, UI/UX

Autobooks is looking for a Product Designer to collaborate on the creation and ongoing iteration of our design system that provides a simple and intuitive product experience for our small business customers.

Responsibilities:

- Design and iterate on the Autobooks design system to meet our ongoing product requirements.
- Collaborating with other team members to understand the customer needs.
- Participating in the creation of product requirement documentation, primarily focused on the design requirements.
- Creation of design system documentation.
- Participation in user testing.

Required Experience/Skills:

- Proficiency in design tools such as Sketch or Adobe Illustrator
- Knowledge with the creation, maintenance, and usage of a software product design system.
- Ability to work in a fast-paced environment, meet deadlines, and willingness to "get your hands dirty."
- At least 3 years of experience in product design.
- Willingness to participate in ongoing user research and interviews to gain market insights.

Other Requirements:

- Experience with HTML, CSS, and Javascript preferred
- Experience with marketing design preferred

Job Location:

- Madison Building in downtown Detroit
